The poster features a central illustration of a geyser erupting with a large plume of white steam against a blue sky. The foreground shows dark, rippling water. The background includes a dark silhouette of a forest line. The text is arranged in a clean, sans-serif font, with the title at the top, the list of activities on the right, and the park name and logos at the bottom.

A vintage-style poster for the 2024 total solar eclipse. The top features the word "VISIT" in a small font, followed by "FOULTON" in large, ornate, red and yellow lettering, and "MAINE" in a similar style below it. A central illustration shows a clock tower with a dome and a clock face, set against a blue background with a sunburst effect. A globe is visible in the sunburst. The date "APR. 8 2024" is written in large, stylized letters at the bottom. The text "THE FINAL DESTINATION FOR THE GREAT NORTH AMERICAN TOTAL SOLAR ECLIPSE" is written in a decorative font at the bottom right. The artist's signature "Nadgen" is visible on the left side.
