

April 8, 2024 Total Solar Eclipse

T-564 Days

Matt Jaksetic, Planner; Colin Campbell, Planner
Planning, Training, & Exercise Branch

Linda Slattery, GIS Administrator
Logistics Branch

State Eclipse Planning Task Force

- Sub-committees formed to address multiple areas:
 - Communications and Operations
 - Health and Safety
 - Transportation
 - Viewing, Lodging and Local Support
 - Resources and Logistics
 - Education

What do communities need to plan for?

- Local eclipse festivals and viewing parties – “Arrive Early, Stay Late”
- Population surge
- Traffic management – egress support
- Local infrastructure stresses
- Local emergency operational support
public works, law enforcement,
supplies, sanitation, cellular comm.
- Health, **safety** and welfare
- Weather

State Eclipse Webpage

- Centralized location for eclipse information in the State
 - Links to other agency pages for updated information
 - Interactive map for searching for events and resources
