01

On **April 8, 2024**
a thin swath of
North America
will be plunged
into darkness for
up to **4.5 minutes**
in the afternoon.

Our 1st Mission:
Get 50 million
people to the
path of totality
for the **Total
Solar Eclipse.**

#TotalityTogether

ECLIPSEFESTS 2024

Our 2nd Mission:
To help people
use the Eclipse
for reflection and
personal growth

Eclipse Events in TX

Kerrville & Fredericksburg will be the **focal point** of space events

Kerrville and Fredericksburg are where we are hosting a range of flagship events for the space community. They will get over 4 min of darkness and Texas has the best chance of clear weather.

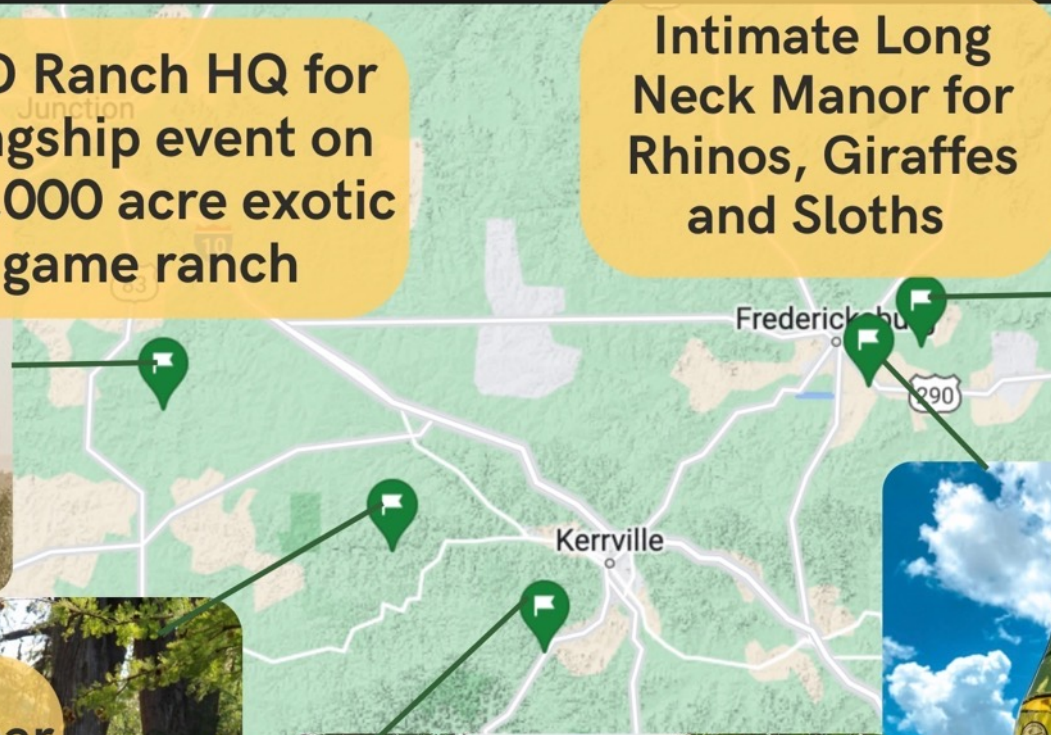

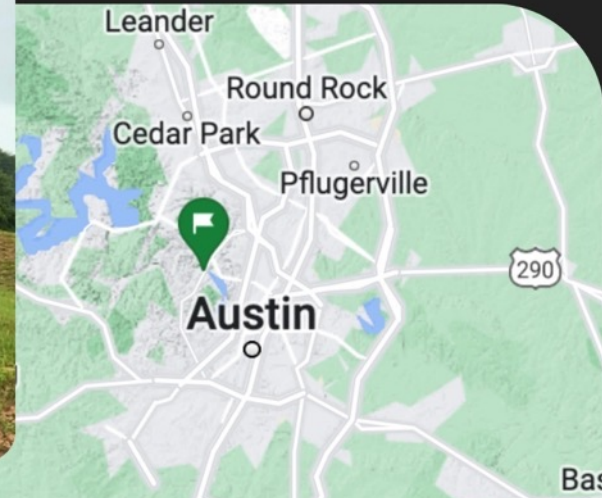

It's powerful to see the eclipse with a view of the horizon and in a natural setting to experience the reactions of wildlife.
