

# New Hampshire Solar Eclipse Ambassador Program

New Hampshire Senate Bill 105 establishes Monday, April 8, 2024 as "Solar Eclipse Day".

What is the Purpose of Ambassador Program?  
Each ambassador will be:

- Educated in Solar Eclipse science and logistics
- Trained in safe viewing procedures and equipment
- Empowered to engage with the community: businesses, schools, and the general public

Each Ambassador will receive:

- Training
- A packet of information for outreach efforts
- Basic safety rules and glasses
- A NH Solar Eclipse Ambassador certificate

The Ambassador Program will be supported by:

- The NH Solar Eclipse Task Force and our Eclipsemobile
- Various government, tourism and astronomical representatives
